II. What personal data does Drone Architect process?

Drone Architect only collects the personal data provided by you. For example, you will provide your name and email address to Drone Architect when you wish to use the services of Drone Architect. Below is an overview of the personal data processed by Drone Architect:

- First and last name
- Phone number
- Email address
- Company details
- IP address
- Location data
- Data about your activities on the website
- Internet browser and device type

Drone Architect processes your data solely (1) for the execution of the agreement between you (the customer) and Drone Architect, (2) for compliance with legal obligations, or (3) when Drone Architect has a legitimate interest in doing so, provided that your right to privacy is not violated.

III. Cookies

Drone Architect uses functional, analytical, and tracking cookies. A cookie is a small text file that is stored in the browser of your computer, tablet, or smartphone upon your first visit to this website. Drone Architect uses cookies with purely technical functionality. These ensure that the website works properly and that your preferences are remembered. These cookies are also used to optimize the website. Upon your first visit to this website, Drone Architect informed you about these cookies. You can opt-out of cookies by setting your internet browser so that it no longer stores cookies. Additionally, you can delete all previously stored information via your browser settings.

IV. For what purposes does Drone Architect process your data?

Drone Architect processes your personal data for the following purposes:

- Providing a service
- Contacting you regarding the service to be provided
- Informing you about changes to our services and products
- Drone Architect also processes personal data when legally required to do so, such as data needed for VAT returns.

V. Your rights

You have (under certain conditions) the right to:

- Request a copy of your personal data,
- Request the correction of your personal data,
- Request the deletion of your personal data,
- Object to the processing of your personal data (e.g., for marketing purposes),
- Withdraw your consent at any time.

You can exercise the above rights by sending an email to jon@drone-architect.be.

Drone Architect also wishes to inform you that you have the possibility to file a complaint with the national supervisory authority, the Data Protection Authority. This can be done via the following link: <https://www.gegevensbeschermingsautoriteit.be/burger/acties/klacht-indienen>

VI. Data retention period

Drone Architect only retains your personal data for the period necessary to fulfill the purposes described in this Privacy Policy under "For what purposes does Drone Architect process your data?".

If a longer retention period is justified by law or by compliance with another legal obligation, Drone Architect may retain your data for a longer period.

VII. Data security

Drone Architect takes the protection of your data seriously and takes all appropriate measures to prevent misuse, loss, and unauthorized access. If you believe that your data is not properly secured, please contact us via jon@drone-architect.be.

VIII. Sharing of data with third parties

Drone Architect will not disclose your personal data to third parties unless this is necessary in the context of providing services and optimizing them (such as, but not limited to, administration, processing payments, etc.).

If it is necessary for Drone Architect to disclose your personal data to third parties in this context, the relevant third party is required to use your personal data in accordance with the provisions of this Privacy Policy.

Notwithstanding the foregoing, it is possible that Drone Architect may disclose your personal data to the competent authorities (1) when Drone Architect is required to do so by law or in the context of a legal or future legal procedure and (2) to safeguard and defend the rights of Drone Architect.

In no case will Drone Architect sell your personal data to third parties.

Our website may contain links to other websites that are not managed by Drone Architect. Drone Architect is not responsible for the privacy measures or the content of these websites.

IX. Questions

If you have any questions about this privacy policy or the handling of your data, please contact Drone Architect by sending an email to jon@drone-architect.be.
